Foundation for the Future

Dave Ferguson

Artisans' Bank is making a big move next spring to a new building located at the entrance of the Beebe Healthcare Campus on Route 24 in Rehoboth Beach. Senior Vice President and Chief Lending Officer David Ferguson couldn't be happier, as he has been envisioning this move for many years.

“This was such a visionary strategic venture by the Bank's Senior Management team and Board of Directors”, said Ferguson. “With our dedicated team and premier location, we've got the foundation to make great things happen as we continue to contribute to the coastal communities of Sussex County.”
