

# Proud to be the provider of choice

At TidalHealth Cardiology, we take a comprehensive approach to care, with a variety of specialists contributing to the treatment of each patient.

At our Seaford practice, located on Federal Street, Angel Alicea, MD, Alvaro Buenano, MD, Alfred Hurley, MD, Richard Simons, DO and Justin Allen, PA-C provide exceptional, patient-centered care. Highly skilled in cardiology, these providers can monitor your heart health and refer you to one of TidalHealth's skilled specialists if surgery, electrophysiology or another cardiology procedure not performed at TidalHealth Nanticoke is needed.

For patients needing interventional cardiology, Dr. Hurley treats patients with blocked arteries, coronary artery disease and other conditions.
